

# Are you prepared to SURVIVE

*“Build a Kit and Have a Plan”*

**The Henry County Office of Emergency Management is conducting a preparedness competition this year and you can be part of it.**

*“Build a Kit and Have a Plan for Zombies”* is a fun way for families to be better prepared for the more normal types of emergencies like ice storms or power outage or chemical spill or flood or \_\_\_(insert\_emergency\_here)\_\_\_ while participating with others in getting ready for a “Zombie Apocalypse”,

To get a prize ticket,

- Discuss preparedness with one of the Henry County Emergency Management Staff between now and the event,
- Visit the booth on October 10th at the North end of the Knightstown Square Prize.
- Come in costume and participate in the “ZOMBIE WALK”
